From the DXCC DESK

NEW DXCC ENTITY. The ARRL DXCC Desk has announced the addition of St Barthelemy (FJ) to the DXCC List, making the island entity number 338 with an effective date of 14 December, 2007. Cards with contacts dated December 14, 2007 or after will be accepted for DXCC credit. New card submissions for St Barthelemy will not be accepted until January 1, 2008 in order to allow time for administrative adjustments. French St Martin (FS), while also added to the List of Dependencies and Areas of Special Sovereignty, will remain on the DXCC List, but it is now considered a Point 1 Political Entity under the same classification as that of St Barthelemy. If St. Martin has already been worked, confirmed and credited to a DXCC award, it is unnecessary to rework it for DXCC credit.

Future possibilities for other countries: Curacao, Saint Maarten, Saba, Saint Eustatius and Bonaire. And do not forget Kosovo, if there will be a political separation from Serbia.

Contest

NCCC CW Sprint
RAEM CW Contest

The DARC Christmas Contest and SKCC CW Sprint are scheduled for December 26.
