ARRL Field Day: 1800Z, Jun 25 to 2100Z, Jun 26

3Y, BOUVET (Press Release #1, dated June 8th --

Bouvet Island Activation Planned). --

Three proven and experienced DXpedition leaders and a large team of operators will activate the DXCC number #2 most wanted DXCC entity in late 2017 or early 2018. Ralph K0IR, Bob K4UEE and Erling LA6VM have been working on this project since returning from Peter I (3Y0X) some 10 years ago.

We are making this announcement now, so that other DXpedition teams that may be considering Bouvet as a DXpedition target can re-direct their time and effort elsewhere.

In summary, we have an agreement with Nigel Jolly to provide transportation, a helicopter, pilot and mechanic. We submitted a preliminary plan to the Norwegian Polar Institute (NPI) some time ago and it has been accepted. A permit will be issued to land on Slakhallet (the huge glacier that covers the island).

We have a team committed, and the finances are doable. As per our funding model, we commit to paying one-half the expenses involved and we are asking the DX community to pay the other half of the expenses. This arrangement has never failed us or you, the DXer.

Experience summary: Leaders have eleven "Dxpediton of the Year" awards, they have activated a dozen "top-ten" DXCC entities and amassed huge QSO totals at their most recent DXpeditions i.e. Desecheo 118,000 QSOs, HK0NA 195,000 QSOs, FT5ZM, 170,000 QSOs, K1N 140,000 QSOs. Their experience in the Antarctic and Southern Oceans region is unparalleled.

Jun 24, 2016

NBR. 703

Heard Island, South Sandwich, South Georgia, Peter I, South Orkneys, Amsterdam Island, as well as numerous other operations from ALL seven continents.

This team and it's leaders have have collectively given the given the DX community over 4,000,000 DXpedition QSO's.

Our website is under development and fundraising will begin in the months ahead. We are pleased that everything has finally come together so that we can activate this most difficult, dangerous and rare DXCC entity.

Your DXpedition leaders,

Ralph K0IR

Bob K4UEE

Erling LA6VM

CY9C ST. PAUL ISLAND DXPEDITION (Update, dated June 18th).

Randy, N0TG, reports: The countdown is on; just 60 days 'til activation. Procurement of final materials and supplies is in process and being shipped to team member K8LEE - Wayne. Wayne and Jay-K4ZLE will rent a cargo van for transport of most of the gear to our staging area in Canada departing their homes around 12 August. Phil, VA3QR, will be driving to the staging area with the generators and several other items. And, lastly Murray, WA4DAN, will also drive to Dingwall, Canada, with several yagi's. Other team members will be flying.

The team is excited and looking forward to a very inclusive operation, i.e, satellite, 2 meter EME, RTTY, CW, SSB. We also have plans to include working Tech and General Class. We appreciate the visits to our website and those who have taken the "NEED SURVEY". We are gearing up to assure we meet the band and mode needs expressed, as well as, concentrating on successful contacts on the long and difficult propagation paths to various locations in Oceania, Japan, India, Asiatic Russia, western USA and VE, etc.

Our thanks for the financial support; that helps greatly on the upfront cost of the dxpedition. Website: <http://www.CY9DXpedition.com>
