## **COWS OVER THE WORLD (Update/QRT).**

**Tom, KC0W, and his all-CW "Cows Over the World" DXpeditions has come to an end and is heading back home. He reported on QRZ.com earlier in the week that "Everything I own was stolen on September 28th, from here in Kiribati (T30). They took all my radios, computers, amplifiers, antennas, coax,... EVERYTHING. They even took my clothing and shoes. I have literally NOTHING left....I type this with tears in my eyes." Some groups and individuals wanted to start raising funds for Tom to help him out, but on September 30th, Tom posted: "I have read the many supportive comments posted on both QRZ and eHam. A heartfelt thanks. Some guys have asked about financially donating to my plight. This is very generous but I respectfully and humbly decline. Us people from the Midwest are like that. Either too proud (or too dumb) to accept money with- out actually working for it. Please donate your time helping a kid learn Morse code if you want to 'donate' anything at all. My bank wired me funds so I can now eat again. (literally) No joke, they even stole all my food. I have cancelled all future DXing activity until I return back to the USA and purchase new equipment.**

**Gud DX es Long Live CW from here in Western Kiribati where it's always 5NN. (except for when local 'QRM' makes you go QRT really quick)**
