K4M news

The K4M team has passed two important milestones this week. First we are pleased to present our transportation to Midway on October 9th, 2009. The team has chartered the G1 with the callsign N8E as shown (or will be available) on K4M Web page at:

<http://www.midway2009.com/kh4news.html>

(picture taken on Palmyra)

Secondly, all radios, computers, antennas, coax, and the rest of the tons of gear have left Hawaii on a supply ship to Midway and will wait for the team there.

Fundraising continues on our Web site, . If you haven't visited it in a while stop by and help support our effort. All pre expedition contributors who are on LOTW will receive their confirmations within a week of the end of the DXpedition.

This month we are highlighting three more team members. You can read all their history at:
