NBR. **505**

The following operation has been approved for DXCC credit:

XU1A – Cambodia 1998 Operation

After reviewing new information, we have concluded that the XU1A documentation and operation are acceptable and sufficient and that QSLs will be accepted for DXCC. If you have had QSLs rejected please send an e-mail to bmoore@arrl.org to be placed on the list for update. (If you remember the submission in which you included the QSL please note this to expedite the search for the rejected QSO).

NH8, SWAINS ISLAND (Press Release).

The following press release was sent out on August 22ndt [edited]:" Swains press release # 3
Aug. 22 2012 --

The leaders are happy to report that the DXpedition cargo has arrived in American Samoa. The international team of 20 operators are excited about this tent and generator operation. The island ranks number 31 in the DX Magazine most wanted list. Swains is about one mile in circumference has only five permanent residents and no infrastructure.

The team will be running seven stations from 6 to 160 including 60m. They will be on CW, SSB and RTTY around the clock for 14 days. Great emphasis will be in working European stations. Plans are to update logs on a daily basis by satellite phone. Because there is no regular internet service, the team will have two pilot stations. Valerie, NV9L, will be the North American pilot while Col, MM0NDX, will do the honors for Europe. They and John/K6MM, the webmaster, will be the only contact to the team for their 14 day stay.

Aug 31 2012

NBR. **505**

Due to changes in airline flights, they are now scheduled to depart American Samoa on Sept. 4th, for the 23 hour boat ride to Swains. Everything will then be off loaded and taken ashore by a small boat. Along with the radio equipment, antennas, food, and tents, are 19 drums of gasoline for the seven generators.

The team of highly experienced DXers, contesters and Dxpeditors are 9V1FJ, AA4NN, DJ2VO, DL3DXX, K5AB, K9CS, K9CT, K9NW, N2TU, N4HH, N6HC, N6HD, NA6M, ND2T, SM5AQD, W6KK, W8GEX, W8HC, W8TN and WB9Z. There have been several requests to listen into the general band, so please listen to the operator's instructions.

We are most grateful to NCDXF, INDEXA, and all clubs and individuals who have supported us. Like all major DXpeditions today, this is a very expensive trip. Total costs are estimated to be 200,000 USDs. Each member has paid 8000 USDs, plus his cost to get to American Samoa. Anyone who wants to help, can go to our website, <www.nh8s.org> and click on the donations link. We are most appreciative to any and all DXers that contribute to help defray the cost of the trip.

OQSL is available on the website for your convenience. QSL manager for cards is Joe Blackwell, AA4NN, and requests should be sent to him at:

Swains Island DXpedition
P.O. Box 5005
Lake Wylie, SC 29710
USA

LoTW will be posted six months following the DXpedition.

We would like to give special thanks to our support crew who has worked very hard for us. They include DL9RCF, I8NHJ, K6MM, MM0NDX, N1DG, N4XP, N7CQQ, NV9L, W6XA, W8AEF, W8CAA and Margaret Blackwell XYL of AA4NN.

The website <www.nh8s.org> provides more details.

Craig, K9CT
Joe, W8GEX
Co-Leaders"

3D2C, CONWAY REEF

After many months of careful planning, we are pleased to announce that our preparations for a large multi-national Dxpediton to Conway Reef are going according to plan.

Conway Reef is located in the South Pacific Ocean and is #35 on Club-Log's most wanted DXCC list.

Aug 31 2012

NBR. **505**

The Team is meeting in Lami Bay, Suva and departing by ship to Conway Reef on September 24th. The Team expects to arrive at Conway Reef and become active on September 26th. We will complete our Dxpediton on October 5th, 2012.

The main goals of this DXpediton are to work every amateur radio operator who needs Conway Reef for a new DXCC country. In addition, we will be active on all bands from 1.8 MHz to 144 MHz, including the 5 MHz and 50 MHz bands. We will be active on CW, SSB and RTTY. Special attention will be made to work far away stations such as Europe and Africa during those periods when propagation permits. The propagation window for EU and Africa is very brief at times and signals may be weak, so we ask everyone in the honored HAM SPIRIT to stand by when asked so that we may fulfill this need. Our destination will have a wide range of options and possibilities.

We plan to upload our logs on a daily basis to our on-line log. We will upload to LOTW approximately six months following the DXpediton.

Our team consists of these Operators: Hrane-YT1AD-Leader, Aleksej-UA4HOX-Co-Leader-Operations, Paul-N6PSE-Co-Leader-PR & Fundraising, David-WD5COV, Vasily-RW4NW, David-AH6HY, Alan-K6SRZ-Team Physician, Alan-AD6E, Sergej-RZ3FW, Craig-K9CT, Stan-LZ1GC, George-N6NKT, Peter-PY5CC, Mike-K6MKF, Jim-K9JM, Miguel-PY3MM and Luciano-PY5KD.

We wish everyone good propagation and we hope that you enjoy working the 3D2C Team. At this time, we are seeking additional Club and Individual Sponsors to help us defray the costs of carrying out this DXpediton. Our official website is:

<http://www.yt1ad.info/3d2c/index.html>

3D2C Team"
