3Y/B, BOUVET ISLANDS

Mark Demeuleneere, ON4WW, has been granted permission by the Norwegian Polar Institute to land and reside on Bouvet Island during the mid-January until mid-April 2016 time frame.

This will be a ham radio DXpedition with the sole purpose of providing worldwide contacts with Bouvet Island, currently ranked #3 on the different DXCC Most Wanted Lists. This will be a 3 month DXpedition carried out by one person with a target to make 100,000 QSOs on CW, SSB and RTTY on all HF bands. (Note: Bouvet will move up to #2 after Navassa has been activated in 2015).

Whether or not this DXpedition will take place depends on the next big hurdle, funding. An interesting Web page has been designed which provides more background information and full details with some great pictures, as well as details on his funding approach at:

<http://www.on4ww.be/bouvet2016.html>

From: The KP1-5 project

RE: Navassa 2015

Date Oct. 29, 2014

We are pleased to announce that the new Navassa 2015 DXpedition website is up and running. It can be found at www.navassadx.com.

Also, it is official...our call sign will be K1N.

Team members are: AA7JV, K0IR, K4UEE, K5AC, K9CT, KT4TTT, N2OO, N2TU, N4GRN, N6MZ, NA5U, NM1Y, W0GJ, W6IZT, WB9Z.

We will update the website often as more information becomes available. We are working closely with the USFWS and are pleased with their "can do" attitude. We should have specific dates shortly, but the team has cleared their schedules to be available for the two week operation starting in late January 2015.

Fundraising has begun. If able, we encourage you to financially support the project. 73, for the DXpedition team

Bob K4UEE, Glenn W0GJ, Mike NA5U
