FT4 Juan de Nova

FR/J, JUAN DE NOVA (Update). The following was posted June 15th [edited]: Arrangements for our next operation to Juan de Nova island are ongoing. We began the logistic operations by conditioning part of the equipment which will be implemented and we finalize some partnerships to supplement our equipment by taking into consideration the imposed constraints. Today, Juan de Nova comes 6th in the ClubLog Most Wanted DXCC listing, but after all major operations planned at the end of the year/early 2016, the island should be the 3rd most wanted DXCC, just behind the North Korea and Crozet!

One month after the announcement of the operation, we started to contact associations, clubs and foundations in order to help us to collect the necessary budget. This year particularly, this phase promises to be a true marathon, especially with the many other expeditions in the same time window. Right now, about a dozen sponsors already responded positively as well as sixty individual donators. We sincerely thank all these structures and their members for their generosity and their assistance, that is essential in this kind of adventure.

On June 12th, the NCDXF (Northern California DX Foundation) notified to us that a major contribution of 25,000 USDs has been granted to our operation. For 42 years, the NCDXF has contributed to finance expeditions in the rarest regions and make possible ambitious projects. We want to sincerely thank the NCDXF, its members and contributors who make DX operations possible.

This important help is a great step ahead for our team and we hope that other good surprises will follow. At the present time, we are far from reaching the necessary budget. The expenses this year are very important. Although we are very vigilant on each euro spent, there are costs like taxes, transport which remain incompressible and it will be necessary to support them in one way or another while trying not to cut down on the quantity of equipment that we hope to set-up.

We invite each DXer or sympathizer to visit our website and make a donation through the Paypal option. We are conscious that many of you will not hesitate to take part to the collective effort sometime during the operation or afterwards. In this kind of adventure, the major part of the expenses have to be paid before the departure; then, why wait until the last moment?

Let us remind you that for any donation higher or equal to 25\$/? the QSL card will be automatically be sent to your home address after the operation.

NBR. 653

It is our manner of thanking you for having contributed personally to the project.

Most of the team will be at the International Amateur Radio Exhibition of Friedrichshafen (Germany). We will be available to answer your questions and to take into account your remarks and suggestions

PALMYRA ATOLL KH5-P DATES ANNOUNCED

PRESS RELEASE #2

Lou (N2TU) and Craig (K9CT) previously announced a DXpedition to Palmyra Atoll at the International DX Convention in Visalia, California.

Palmyra (KH5) ranks #9 on the Most Wanted List and #2 in Europe.

The Pacific Islands DXpedition Group has been awarded permission to activate Cooper Island in the Palmyra Atoll, 11-26, January 2016.

A team of highly experienced operators and veterans of many DXpeditions has been assembled. Team members include Craig K9CT, Lou N2TU, Jerry WB9Z, Tom ND2T, Mike K9NW, Ralph, K0IR, John K6MM, Bob, K4UEE, Hal W8HC, Dick W3OA, Jim N9TK, and Glenn, W0GJ.

The Team plans to operate five stations, 160 to 6 meters on CW, SSB and Digital modes, using a call sign to be announced at a later date. Antennas dedicated to working Europe will be deployed due to the high need and propagation path difficulty.

Critical to major DXpeditions are the immediate, up-front commitment costs. For instance, most of the equipment (antennas, coax, wire, connectors, and site material) has already been purchased, tested and shipped to Palmyra. These procurement and shipping costs are a significant portion of the overall DXpedition costs. It is estimated this DXpedition will incur costs of over \$200,000USD plus individual and personal expenses.

We are pleased we have received support from so many Foundations, Clubs and Individuals already. We are about \$30,000USD short of our need for the next payment November 1st. So please donate as soon as possible to help with the upfront costs.

Our website, Palmyra2016.org, has a "Donate" link to facilitate your generous contribution. Without your support, this DXpedition would not happen!
