## **3Y0Z BOUVET PRESS RELEASE (dated August 5th).**

The Northern California DX Foundation is pleased to announce a contribution of \$100,000 to the 3Y0Z Bouvet Island DXpedition planned for January 2018. Bouvet is #2 on the ClubLog Most Wanted List. This is the largest contribution in the history of NCDXF.

In 2016, NCDXF-sponsored DXpeditions activated five of the ten most needed entities. These DXpeditions put 457,000 QSOs into DXers' logs. That year we spent \$156,000 to fund these and other DXpeditions. The 3Y0Z DXpedition to Bouvet Island early next year is likely to be one of the most expensive DXpeditions ever attempted - estimated at over \$740,000. The 20 team members have already contributed just over half of this amount.

DXpeditions to rare entities like Bouvet and others in the Southern Ocean are becoming more expensive, a trend that we believe will continue. NCDXF's primary purpose is to help fund well-organized DXpeditions to rare, difficult and expensive entities, like Bouvet. During the last 45 years, NCDXF has granted over \$1 million to hundreds of DXpeditions - helping to put an "all-time-new-one" (ATNO) in the log and make DX happen for thousands of

**DXers worldwide. The credit for these large grants goes to the NCDXF contributors, individuals and clubs who support the DX community. Without those contributions, DXpeditions to entities like Bouvet or other rare locations would not be possible.**

**If you agree with the importance of NCDXF's work, and if you are not a current contributor, we hope you will become one today by clicking here <[http://ncdxf.org/pages/join\\_renew.html](http://ncdxf.org/pages/join_renew.html)>. Your contribution will continue to help make DX happen. You can also support future DXpeditions by including the NCDXF Cycle 25 Fund in your estate plan <<http://ncdxf.org/pages/estate.html>>. We wish the 3Y0Z team a safe and very successful trip to Bouvet Island next year.**

## **3Y0Z BOUVET PRESS RELEASE Aug 6**

**The 3Y0Z team is extremely grateful to the Northern California DX Foundation for their \$100,000 contribution to our Bouvet Island DXpedition. We are honored and privileged to receive the largest grant even given by NCDXF.**

**This contribution by the NCDXF mandates that we as a team, and each of us as an individual, recognize the responsibility that accompanies the level of trust placed in us. It demands the best of us, being on Bouvet singly focused on the DX and amateur community worldwide -- nothing else. We as a team accept that responsibility. We pledge to do our best - nothing less. Our goal is to have your call in our log and get home safely - nothing more.**

**While we are light years from where we started this project, we still have work to do and financial challenges to meet to get us to Bouvet, give you those QSO's, and get home again. We thank the NCDXF and all of you who have helped us financially and with your good wishes. You have moved us well down the path to Bouvet and we would be honored by your continued support. Together we will make this happen.**

**Thank you.... The Bouvet Island DXpedition Team**
